Dear Mr. Manley:

I received your letter and in reply, I will say that I will be too glad to have you come here after the All-Star Game on August 20. I have some open dates in the Stadium here the last week in August.

If you cannot come in August, I can book you for one solid week with another team in Parks throughout North Carolina after Labor Day. It will be necessary for me to know at once which dates you will accept, August or September, so I can make arrangements with the Parks. Please let me hear from you as early as possible.

Yours very truly,

A. J. Hammond
